Addendum to Lease Agreement
Renter's Insurance

I understand that as a condition of my Lease Agreement I am required to carry a renter's insurance policy to cover my personal possessions in the event of a loss or liability incurred. I acknowledge the fact that neither Landlord nor the Owner are responsible for my personal possessions.

I hereby declare:

- At this time, I elect **not** to purchase renter's insurance for my personal belongings. Should I purchase renter's insurance at a later point in time, I understand that I must provide proof of insurance to the Landlord within a month of the purchase date.
- I have purchased renter's insurance for my personal belongings and I have provided the Landlord with proof of insurance.
